Once we decide on a date for our meeting here at PSNS & IMF, I'll need some information so we can get you badges. Please fill out the attached forms and send them to Mike Smith (Cc'd). He is our security Point of Contact who will take care of the badging process.

If sending the Badge Request back via email, please ensure the email is encrypted to protect your information.

Thank you,

Subject: Potential Meeting Dates for PSNS & IMF

Gentlemen,

As we discussed at our last meeting, PSNS & IMF would like to host our next meeting. We are proposing 9/26, 9/27, 10/3, and 10/4 as potential meeting dates. Please let me which of these dates (if any) would work best for you to meet with us here in Bremerton. In addition to continuing our discussions, I'd like to give you a tour of one of our drydocks and the Process Water Collection System.

I've attached the conceptual drawing of the Process Water Collection System I described at our last meeting, as it has been cleared for release.

Feel free to contact me if you have any questions.

Thank you,

Trevor Richardson
